LISTEN UP MIDDLETOWN AND WAWAYANDA: Chartwell is chugging it's way towards us! The first stop was Middletown - next up is Wawayanda! Check out these links for more information (opens in a new window):[The Times Herald Record Newspaper Article - "Rail official says Trash not in Plan"](#)Below is a link to an aerial map of a business that's been reported to be interested in locating along the M&NJ railway. It's also been reported they are very interested in the area off of Dolsontown Rd. & Dolson Ave. towards the Masada site with rail access towards the spur behind Gempak. Instructions: Click on the aerial button on the upper right hand side of the map at the link below. You then can pan the whole entire vehicle dump site and its supporting buildings along Lamont.[CLICK HERE TO VIEW THE AERIAL PHOTO OF THE DUMP SITE](#)
