

Robinn Meadows Water Co.

MARK YOUR CALENDAR:
THURSDAY, SEPTEMBER 20 AT 7:30 PM WAWAYANDA TOWN HALL

PUBLIC HEARING ABOUT THE PURCHASE OF THE ROBINN MEADOWS WATER COMPANY BY THE TOWN FOR \$250,000

SEND WRITTEN COMMENTS TO: Teresa Pierce
Town of Wawayanda Clerk
80 Ridgebury Hill Road
PO Box 106
Slate Hill, NY 10973

Dear Friend,
I wanted to remind you of this important public hearing about your water system. The water company is asking the town to purchase your water system at a cost of about \$250,000. This money would have to be paid back by the users who live in Robinn Meadows Development.

The owner and Town Supervisor have assured the Town Board that the water is clean and there is plenty for the current users AND the 40+ homes that are yet to be constructed.

However, there have been complaints from many residents in the past about the quality and quantity of the water available. This is your opportunity to speak out and let us know what YOU think!

Attend the meeting or send your written comments to the Town Clerk for inclusion in the public hearing.

Hope to hear from you!

Gail Soro
Councilwoman Gail Soro DID YOU KNOW…?

The town will spend more than the present water company to maintain the system because of higher standards

Your Sewer District was loaned \$100,000 to cover costs this summer and delays in sewer plant refitting will cost \$500,000

YOU will have to pay the \$250,000 back to the Town!
